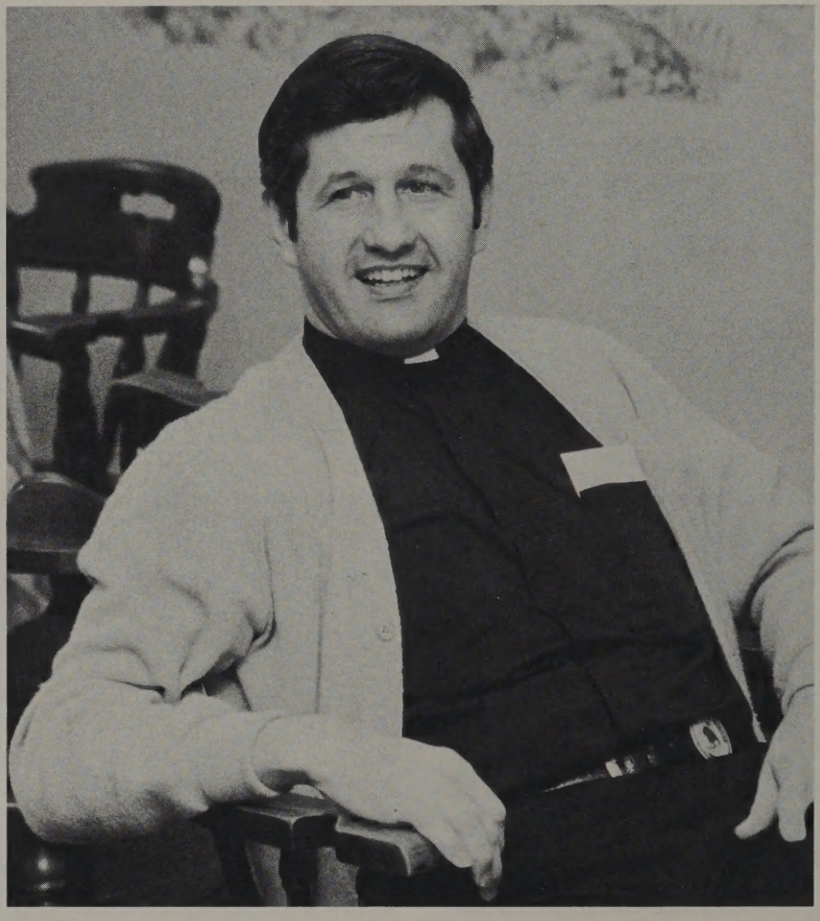
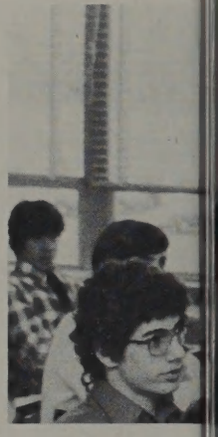
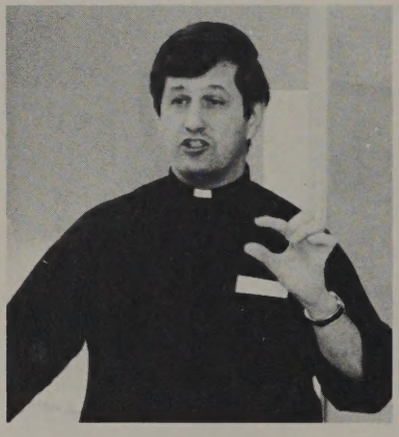
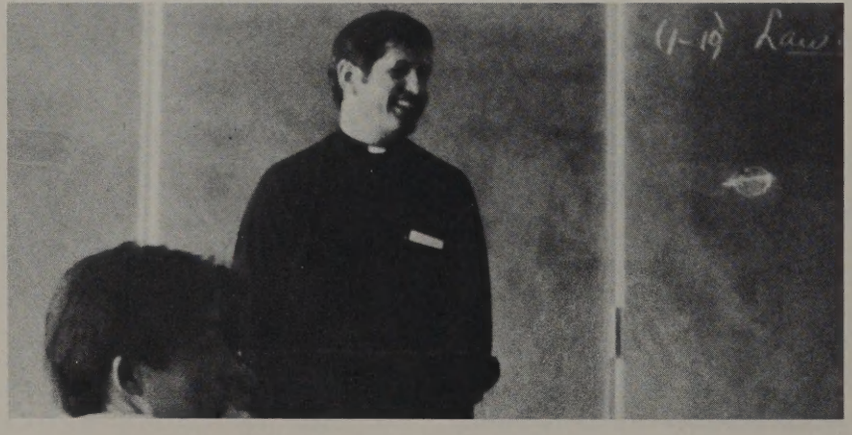
DEDICATION

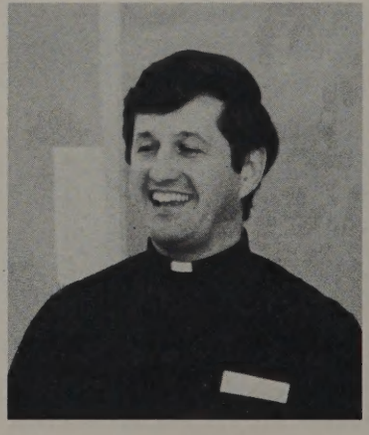
Brother J. Justin O'Connell

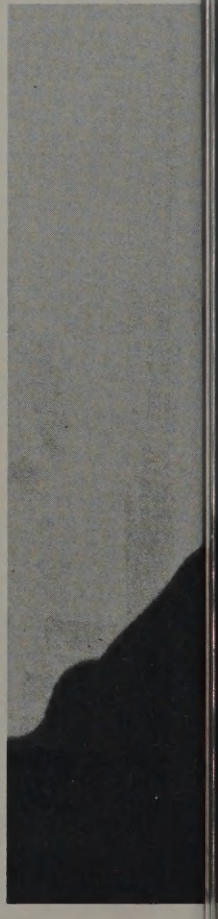








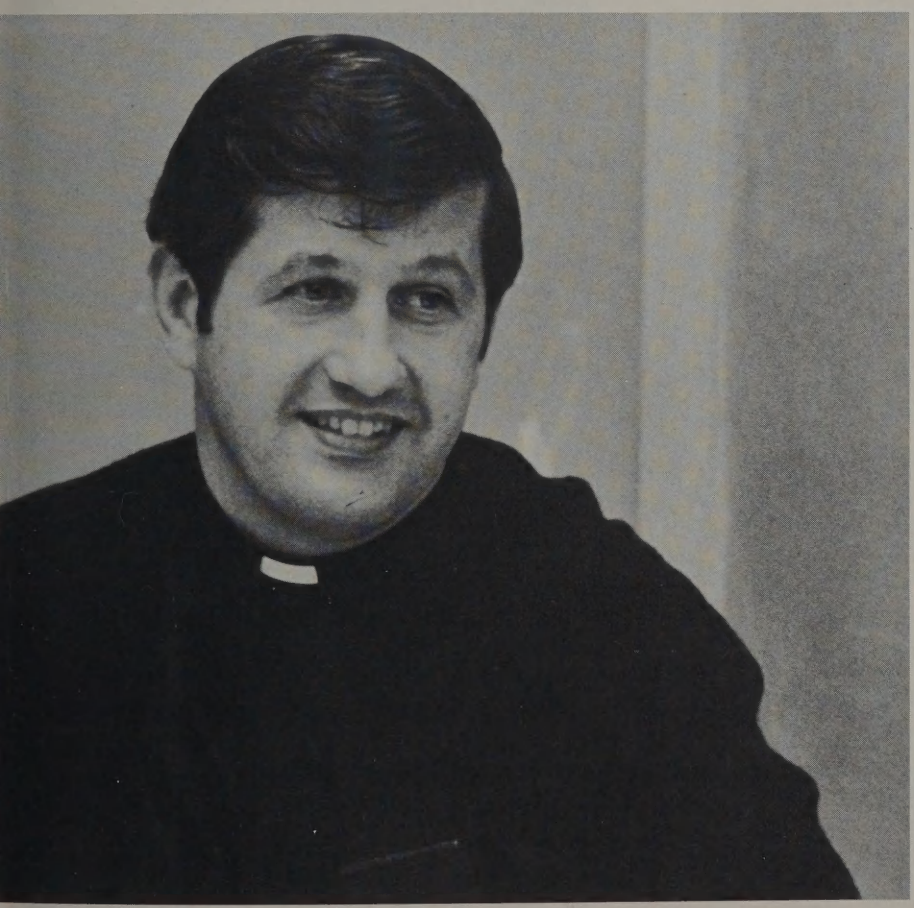


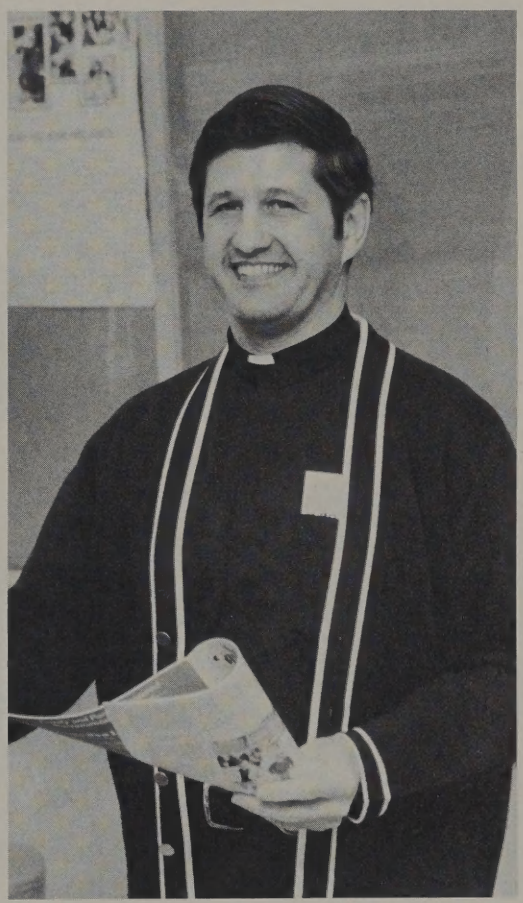


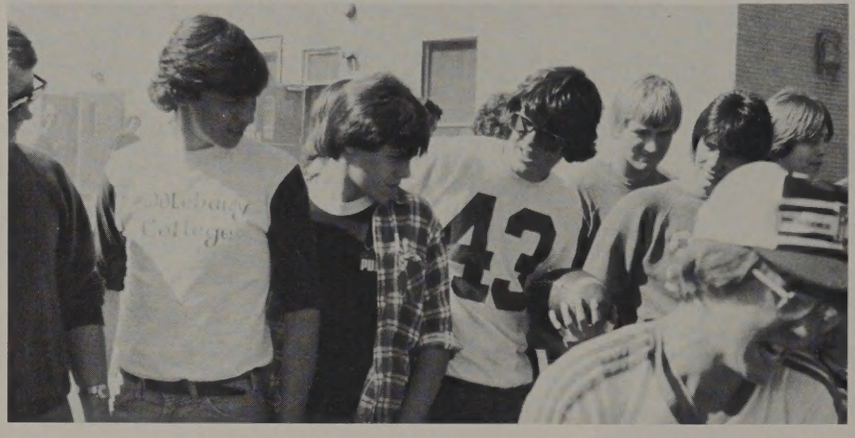
Yearbook dedications are tributes to service given or lifetimes shared. With this in mind, it is most fitting that this year our dedication is to Brother O'Connell. He stands as an exception in an age when image is often more important than reality. "O.C." willingly takes the risk of facing "what really is" instead of hiding behind images of "what would be nice." His presence among us has been active encouragement to never lose sight of the quest for truth — whatever the price.

Most know "O.C." from the role he has as a religion teacher. Indeed, few who have experienced him have failed to be challenged to grow as "self-directed" Christians. However, Brother O'Connell's history began long before he ever came to Hendricken. His formative, early years were spent in the Bronx where he attended his local parish school before going to Power Memorial Academy. For the past thirty years "O.C." has been a Christian Brother. During these years he has shared his life and talents with the brothers and students at Commander Shea School in East Harlem, Bishop Gibbons High School in Schenectady, Santa Maria Novitiate in West Park, Catholic Memorial High School in Boston, and Iona Prep School in New Rochelle. His fruitful career as a teaching brother has been a pilgrimage in the spirit of Pope St. Gregory the Great who once wrote:

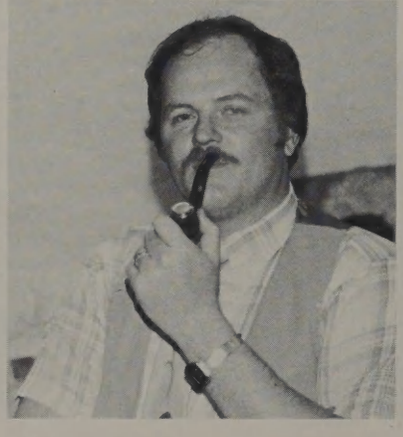
"BUT IF TRUTH CAUSES SCANDAL,
THEN IT IS BETTER A SCANDAL ARISE
THAN THAT THE TRUTH BE ABANDONED."







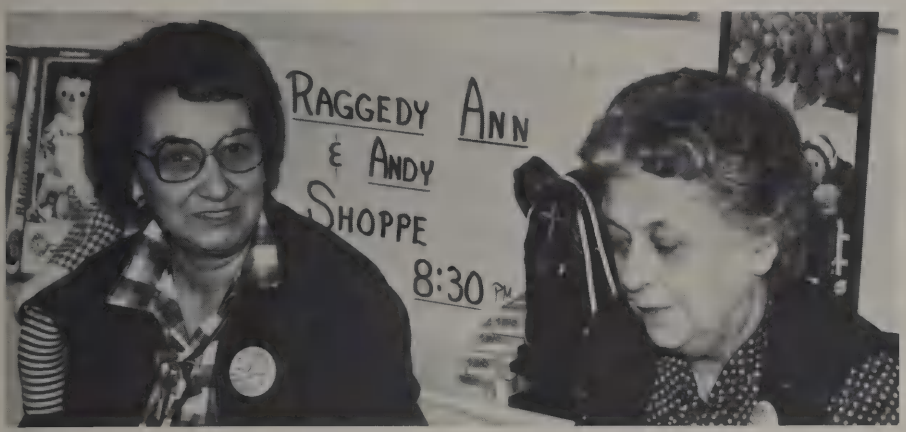
Homework or Space Invaders?



Special thanks to Mr. Gary Melino from all of us at Hendricken

"Imagine no possessions
I wonder if you can
No need for greed or hunger
A brotherhood of man
Imagine all the people
Sharing all the world ..."

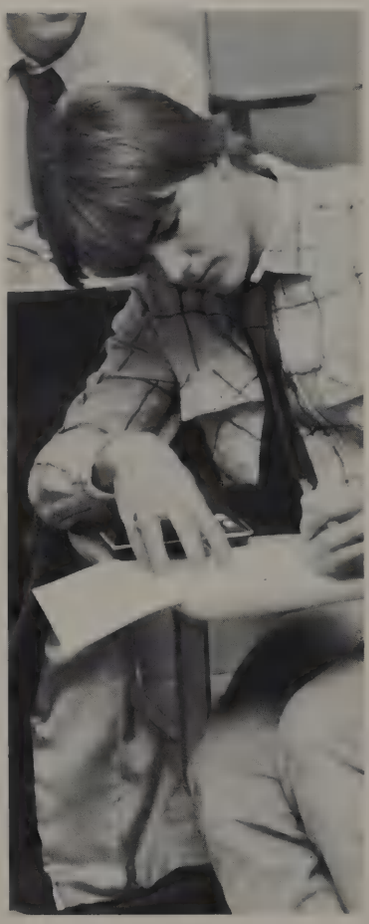
— John Lennon

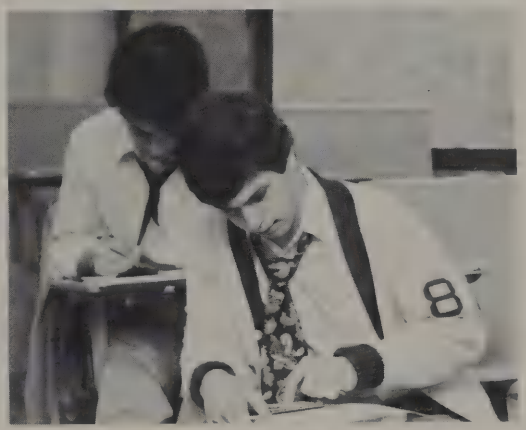


Spunky White

"All we are saying is give peace a chance."

— John Lennon





"Love is the answer and you know that for sure,
Love is a flower you got to let it, you got to let it grow."
— John Lennon

What seemed to be a banner year for the Hawks became a year of frustration. For the first time in nine years the Hawks fell below the .500 mark with a 4-5-1 record.

After a solid victory over LaSalle in the opener, the next two games were heart breakers, a 7-0 loss to Rogers and an exasperating 20-20 tie with Cumberland. The Hawks regrouped to trounce Warwick Vets and headed for a showdown with East Providence a super effort just fell short 20-15. Physically and emotionally the Hawks were drained and the next three games reflected the same. With a little time off to prepare for Tollgate, the cross town rivals, in the annual Thanksgiving day game, the Hawks well healed and emotionally recharged, came up with a great victory before 4,000 people to win the city championship. It was a farewell game for outstanding seniors Brian Marcellino, John Carroll, Ralph Palumbo, Steve Jackson, Peter Mathieu and Joe Gleason. The younger Hawks are anxious to renew their winning ways.

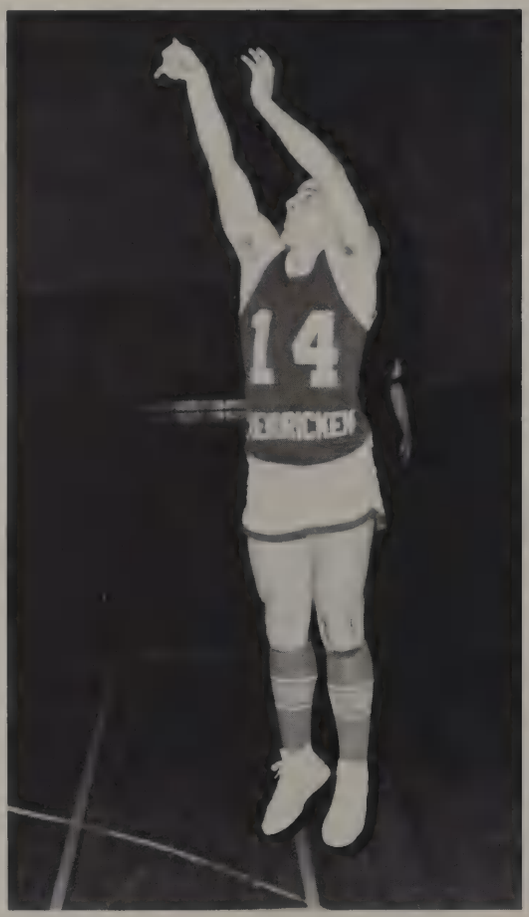
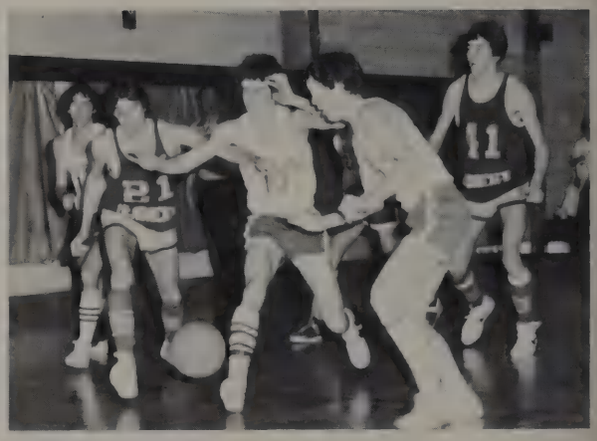
BASKETBALL

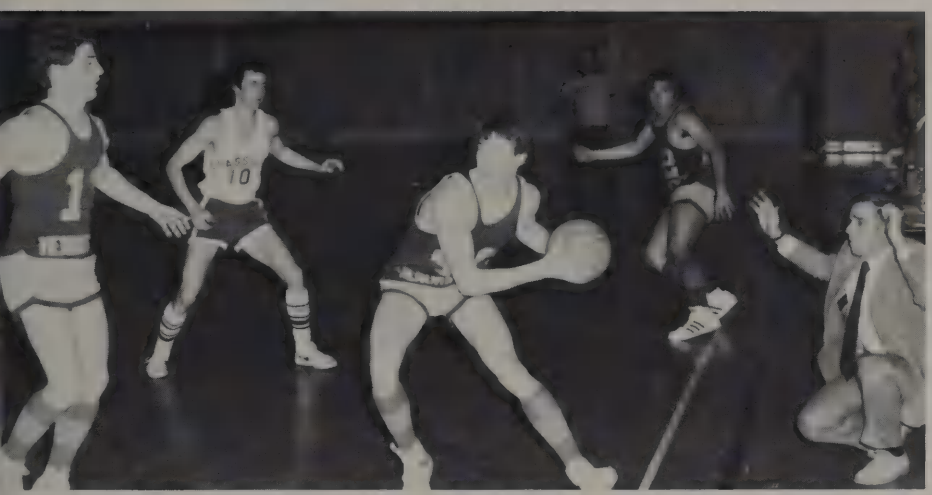




The 1980-81 Hendricken Basketball team continued its dominance over the state claiming the state title with a 51-49 victory over the Hope High of Providence. The championship was the 2nd for the Hawks in the past three years and marked their fourth straight appearance in the state finals.

Led by Co-Captains Tony Fiore and Jim Pagliarini our hoopsters posted an overall record of 25 and 4 including a sparkling 24-1 record versus Rhode Island teams. Ironically the only loss against state competitors was a mid season 47-41 defeat at the hands of the same "Blue Wave" of Hope.

This year's victory was all the more impressive since it occurred in front of a statewide television audience and over 5000 fans at the Providence Cive Center. Pagliarini, named MVP in the state tournament, and Fiore, who paced the attack with 20 points in the final, concluded their sparkling careers on a high note. The co-captains, along with senior teammates Dan Autiello, Peter Mathieu, Mike Marinelli and Sherman Thurston, posted an unbelievable 84 and 10 record over their three seasons. Along the way to these 84 victories, three New England Class A Catholic titles, two Rhode Island State Championships and two Class



A League titles were captured.

Fiore was named All City, All League, All State and All American by Converse; Pagliarini and Autiello as well as juniors Rich Angell and Paul Wirth were named All League and All City. Sophomores Steve Brewster and Jerry Habershaw played important roles as key reserves in the Hawks march to the title.

Don Hickey's Junior Varsity had an outstanding season also as they posted an 18 and 2 record. All the more importantly is the fact that the Junior Varsity was dominated by its freshman members. Sophomores Waldo Manning and Jay Marinelli were joined by freshmen Steve Williams, Ed Wirth, Sean Henseler and Frank Caprio to form an explosive and cohesive unit. Much is expected of these underclassmen in the future.

John Jackson and Br. E. M. Muller's two freshman teams acquitted themselves well in their initial season wearing the Green and Gold with Jackson's "A" team qualifying for state tournament play where they were eliminated by state finalist Deering Jr. High of West Warwick.

This year's hockey team accomplished many feats for the first time since they came into existence eight years ago. The varsity team had a tremendous season in making it to the finals at Brown, winning their first invitational tournament, beating Connecticut's two top teams in the same day, and ending Mount St. Charles three year winning streak. In recognition for these feats the Hawks received a rating of the 4th best high school team in the country by the National Sports News Service. Seniors Tom McGowan, Mike Fanning (All-State), Tom Berard, Mark Silvia, and Ken Gauvin all have played four years at Hendricken and will be missed. Dan Hornstein, a transfer from Pilgrim, also contributed greatly to the hockey program. Joe Wedge and Chip Mangan graduate also. Coach Armstrong will have a good nucleus of players to choose from. Returning players include forwards Hohn McGeough, Andy Calcione, Mike McCabe, Jim Rickard, Ted White, and defensemen Dave Boegler, Tim McKone, and Pete McGeough. Tom Connell, who led the Hawks down the stretch, will also be counted on for his netminding. Coach Lanes (J.V. Team) finished with a perfect 26-0 record in winning the states. The freshman team under the direction of Coach Tom Sheehan had a 14-6-2 record.

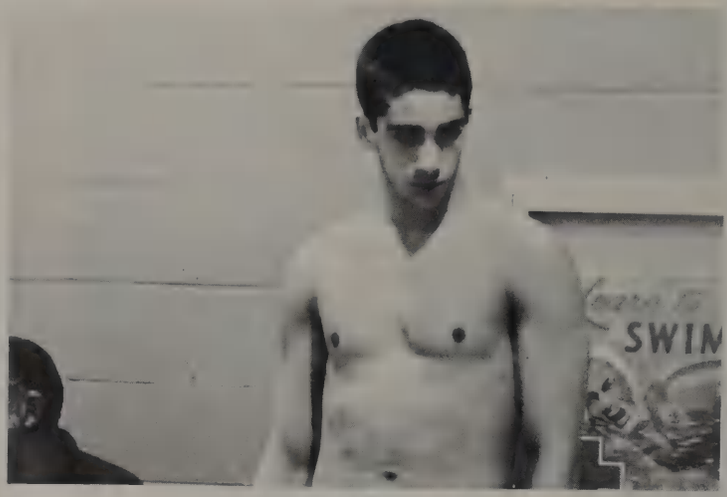
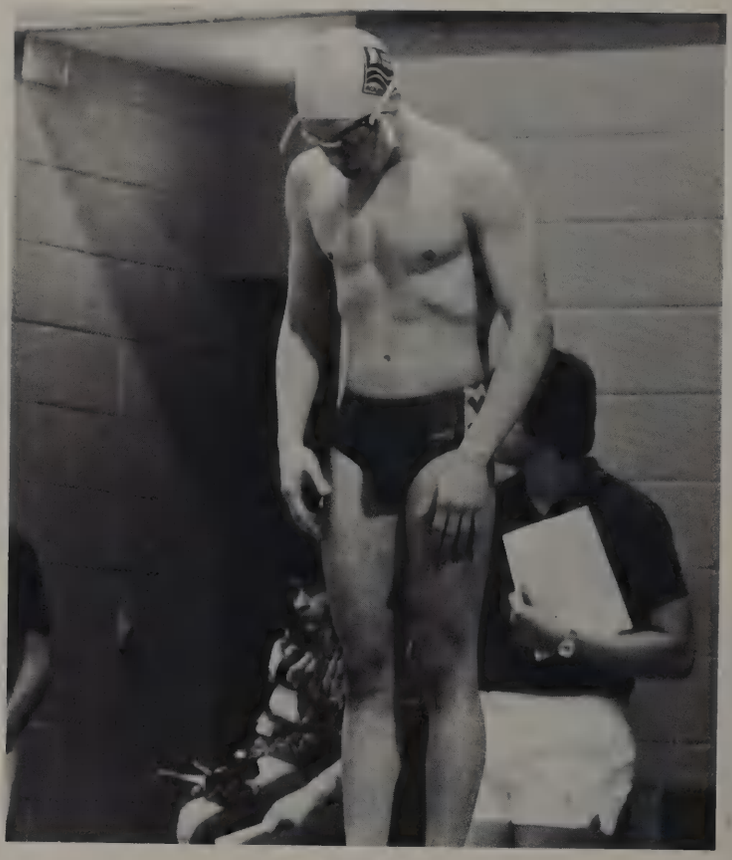
THE IMPOSSIBLE DREAM

Mark Games



Vin Indeglia



Kevin Salisbury

Led by captains Mark Games, Mike McGreen and Kevin Salisbury, the Hawk Mermen fulfilled their "Impossible Dream." Finishing with a 14-0 record in dual meet competition, the Hawks then went on to capture their first State and New England Championships.

Post-Season honors went to Mark Games who was named to the All-State Team in the 100 yard breaststroke, establishing a RI Interscholastic League record time of 1:01.146. Joining Mark to form the All-State 200 yard Medley Relay were Mike Gartland, Everett Lewis and Mike McGreen. Also named to the All-State Team was outstanding freshman Joe Perroni in the 50 yard freestyle.

Enroute to their outstanding season, Team Records were shattered in eight events. Leading the way was Mark Games in the 100 yard breaststroke. Other Team Records were established by the 200 yard medley team of Games, Mike Gartland, Everett Lewis and Mike McGreen; Mike Gartland in the 100 yard backstroke; Erik Bettez in the 500 yard free; Paul Mangili in the 200 yard individual medley; Joe Perroni in the 50 yard free; Kevin Salisbury in the 100 yard butterfly; and the 400 yard free relay of Salisbury, Bettez, Mangili and Perroni.

Other major contributors to the Hawks' success were Tom Byanski, Mike Cody, John Kontor, Dave Hjerpe, Leo Smith and divers Kevin Johnson and Rick Nelson.

BASEBALL

The 1980-81 Varsity Baseball team closed out the most successful year ever in R.I. High School history by winning the state championship. The baseball crown was the fifth varsity state championship a Hendricken team won in 1980-81.

Paced by senior All-Stater Dan Autiello and John Hindle, the Hawks posted a 12-4 Metropolitan II league record and then swept the state playoffs with four straight victories.

Following victories over E. Providence and Bristol to open the season the Hawks dropped two in a row to Barrington and Warwick Vets. After a six game win streak that included extra-inning victories over Middletown and Rogers as well as a no-hitter by junior Bob Nault over Mt. Pleasant, Hendricken dropped a 3-2 decision in 12 innings to Barrington. Four more victories, one of them an 8-5 win over Mt. Pleasant in 10 inn-

ings on Tim McKone's triple, coupled with a loss to Middletown in the season's last game, set the stage for the state tournament.

Autiello's three-run homer combined with Paul Vallone's excellent relief pitching propelled the Hawks to a 7-4 opening round victory over Woonsocket and set up a classic confrontation with Pilgrim in the semi-finals.

In front of one of the largest crowds ever to witness a high school game in Warwick, Hendricken blasted 18 hits in a 10-5 thrashing of the Patriots. The Hawks shocked the defending state champions in more ways than one. In addition to wearing a "summer uniform" (short pants — knee socks) in place of their more traditional attire, Coach Pepin started unheralded sophomore Bob Brown on the mound. Seniors Frank Dudzik, Bob Miller and Junior Bob Harrington all had three hits and Brown had a 7-1 lead into the seventh. A Pilgrim uprising in the eighth brought Vallone to the mound where his poised effort resulted in the final 10-5 victory and a berth in the finals vs. Barrington.

Hendricken swept the best of three series in two straight by 13-10 and 3-2 scores. The opener again saw the Hawks blast out 18 hits as Hindle (4), Autiello (3), and Miller (3) combined

for 10 hits and 6 R.B.I.s. Over 2500 fans jammed Providence College's Hendricken Field for the championship game on Sunday June 21 and were treated to a classic high school thriller. With two outs and nobody on in the last of the ninth, singles by McKone, Autiello, and Miller resulted in the Hendricken victory and state championship. Tri-captains Autiello, Berard, and Lou D'Abrosca provided great leadership both on and off the field and classmates Dudzik, Miller, and Steve Jackson all contributed greatly to the championship effort.

Coach Ron Mosca's Jr. Varsity posted a 25-0 record capturing the West Warwick Invitational Tournament as well as the state title. Coach Dave Kenney's freshman team also posted a 25-0 mark winning the Central Division league title and the state crown. Altogether, the Hendricken baseball program completed a first ever feat of all three titles and combined for a 70-4 overall win — lost mark!!

TENNIS

The '81 Hawk tennis team experienced its most successful season ever, qualifying for the State Playoffs where the Hawks pulled off a couple of big upsets before losing an exciting, tension-filled final to undefeated Toll Gate High School.

Expected by no one to be a contender for the State Championship, the Hawks finished third in the regular season. At this point the team began really playing well, beating Cranston West 5-0 in the quarter-finals.

LaSalle Academy, twice victorious over the Hawks in the regular season, was the semi-final victim of the Hawks, as senior Mark Sutyla, junior Terry Harrington, and sophomore Tony Rongione keyed a 5-2 upset with big victories.

Champion Toll Gate to the limit before succumbing 4-3. Sutyla, senior Dave Radoccia, and sophomore Vin Palumbo won matches for the Hawks.

Coach Crawford's squad continued its great play in Rutland, Vermont at the New England Schoolboy Championships, defeating the undefeated N.H. State Champion Milford High 3-2 before losing in the semi-finals to the eventual N.E. Champion.

Co-Captains Dave Radoccia and Mark Sutyla were the team's only seniors, so the future is bright. John McGeough, Dave Richards, Terry Harrington, and Mark Hoppe (all class of '82) return, along with All-State Tony Rongione and Vin Palumbo.

The 1981 edition of the Bishop Hendricken Golf team completed the season with a 4-5-1 record, good for a tie for third place. HAWK BAND '81

Hendricken's Band took on a new look this year. The all new Hawk Band progressed more and more this year as they entered various marching competitions. As well as performing at the football halftime shows and putting on a Christmas Concert.

The Hawk Band entered the Woonsocket H.S. Competition and the Blackstone-Milville H.S. Band Competition, taking trophies in both. The highlight of the fall season was sweeping all three first place trophies in the Columbus Day Parade in Providence, where virtually every high school band in the state participated.

The main event for the Hawk Band, however, was the trip to the Shenandoah Apple Blossom Festival at Winchester, Va.. While there, the band not only faired well in the competition, but placed fourth out of twenty four bands in the Grand Feature Parade. It is obvious that the Hawk Band has accomplished a great deal within one short year. For this, Mr. Colozzi, its director is very proud.

STUDENT COUNCIL

This entire session of the Bishop Hendricken Student Council has been devoted to the task of revising the Constitution to allow a greater student body voice. Yet, even during this year of upheaval, the continued leadership shown by this council has reaffirmed the school's longstanding commitment to aid in solving both the problems and the needs of our own community and those of the world around us.

From Dec. 4-Dec 7, 1980, a delegation of Bishop Hendricken students participated in the 25th annual Havard Model United Nations. Delegates from Hendricken represented either Greece or Belguim, and served on committees such as Human Rights, Energy, Science and Technology, Legal, and Nuclear Non-Proliferation.

Havard University was the setting for committee sessions on Friday, and students were also offered the unique opportunity of attending selected classes at Havard. Plenty of free time was available to the delegates who took advantage by seeing the J.F.K. Library, Quincy Market, and the historic Freedom Trial.

SAMARITANS

The Samaritans is a peer-group, students tutoring other students. Tutors help during the A period, lunch recreation, after school, "free" periods, or whenever the helpee needs assistance and can be worked into the helper's schedule. Being a member of the Samaritans Tutoring Group fulfills one of the requirements of the National Honor Society and the helper receives credit for the tutoring. Acknowledgement is given on his permanent record card. The student doing the tutoring must have already received an average of *B or better* in the tutored subject before being allowed to help the student. Students are recommended for tutoring through their teachers, parents or the Guidance department. Many times students come on their own and ask for help. An attempt is made to find a tutor who has a similar schedule as the helpee (i.e. same lunch recreation). In this way, there is no rush to get to school earlier than necessary and each of the students can still participate in after school activities.

THE TALON

The student newspaper attempts to provide a creative outlet for artistic and literary talent. In addition, students get the chance to participate in putting together a publication in the various stages of lay out, editing, and other journalistic endeavors. This year the *Talon* took on a new tabloid format and provided the school population with even greater opportunities for expression. Under the direction of Brother Paterwic, Mike Carroll and Matt Mueller acted as general editors and worked tirelessly to see each edition to completion.

R.I. MODEL LEGISLATURE

As in the past, students representing the various high schools in the state have met in a mock Rhode Island General Assembly to confront and solve the problems affecting the state. It is designed to allow highschoolers the opportunity to experience the problems found in making laws. The representatives of Hendricken have taken active roles in this conclave and are, Lee Beliveau proclaimed, the Sen. Conservative Whip.

The representatives of Hendricken would like to thank Mr. Mullen and Mr. Cichon for being active moderators throughout the year.

CHESS TEAM

In its first year the chess team had 25 members and was divided into 5 teams consisting of 4 students. The first team, the A team, finished first in its division and was in the state playoffs. The A team finished third in the competition for the state championship. Two of its members, Mitchell Dworkin and Reuben Varghese, won individual trophies for finish fifth and seventh place in the state.

The chess team is looking forward to continuing its fine opening record in the years ahead.

DEBATE TEAM

The Debate Team began this season with 2 full teams; however, none of the members had ever debated before. During the league matches, the team began slowly but improved drastically as time went on. The team peaked at just the right time — the state championship tournament held at URI on April 5th. At the tournament the Hendricken team, led by Joe Marusak and Jim Faber placed second in the state for the second consecutive year. Joe and Jim took second and fourth in the individual standings. With several returning veterans, the team looks forward to improving and winning the state title next year.

BOWLING TEAM

The Bowling Team competes every week at the Brunswick Bowling Alleys on Post Road in Warwick. Teams of 2 boys each bowl against each other within the Bishop Hendricken bowling league. Trophies are awarded for the first place teams, high average, high game and high series. Our top bowlers competed against LaSalle in a best of 3 playoff during the 1980-81 school year.

PARENTS' COUNCIL

The Parents' Council is the parents of Hendricken working together. It is a very important member of the "Hendricken Family" and is one of the things that make Hendricken different and special. Financial support for many student activities is provided through the parents' council — but more importantly, the parents' council can always be counted on for support of all student activities. All council efforts are coordinated by Brother Grondin, moderator of the council.

This year's Mitre staff, under their advisor Mr. Spitz, set out to build upon the success of the 1980 Mitre. After choosing to work within a tight structure of separated copy/photo areas, the staff sought to include as many of the varied aspects of the Hendricken community as possible. In addition to the editors shown below, Mr. Spitz would like to thank all those who assisted in the production of this publication, including Jim Leveilee (cover design), Peter Spitz, Gary Melino, Jim Whalley, and especially Karen Devitt for her patience.

OLYMPIC DAY

BUM DAY

The Friday before the Homecoming football game and dance is called "Bum Day." This means that instead of "dressing up," which is the usual procedure at Hendricken, on Bum Day everyone is permitted to "dress down." Faculty and students alike are encouraged to wear whatever they want. At the end of the day, there is a large assembly, and a contest for the best costume is held. This year all the Seniors dressed in medical garb, including several nurse outfits! It turned out to be a very enjoyable and spirited start to Hendricken's super Homecoming Weekend.

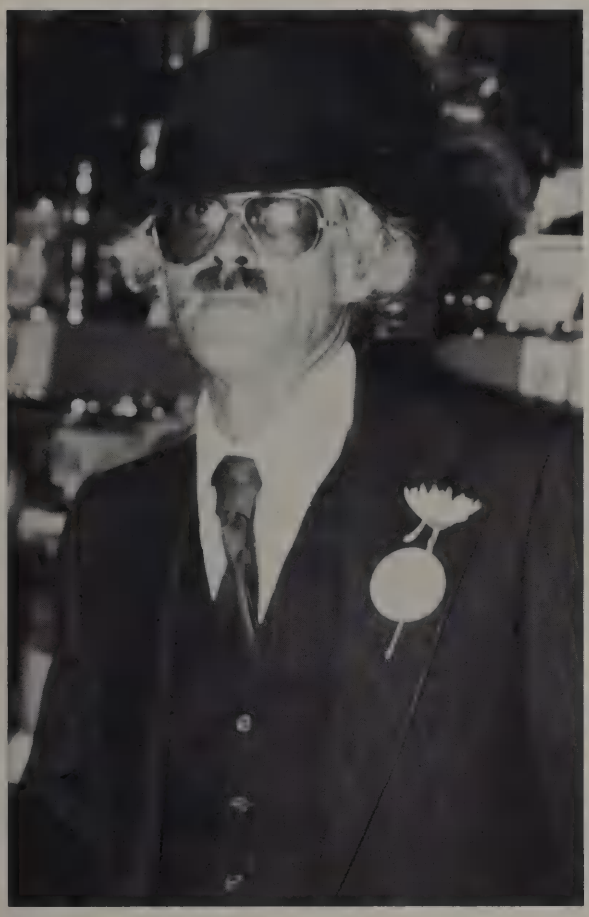
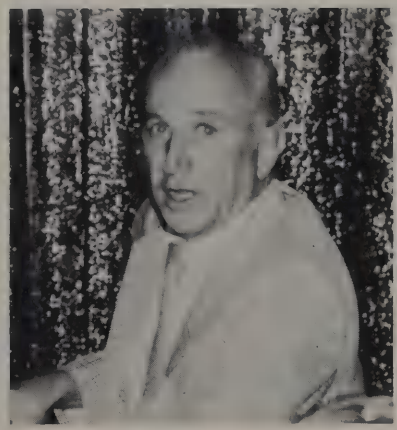
EPOCH '81

This year, as in the past several, Hendricken's biggest fund-raising event, EPOCH, was a huge success. The dinner-auction brought in over $10,000.00 profit. This money, which is used to keep the high cost of a Hendricken education at a low tuition rate, was the result of the combined effort of parents, faculty, staff, and the students. Much gratitude is owed to Brother Grondin, who was the brains behind it all.

THE ROARIN' 20's

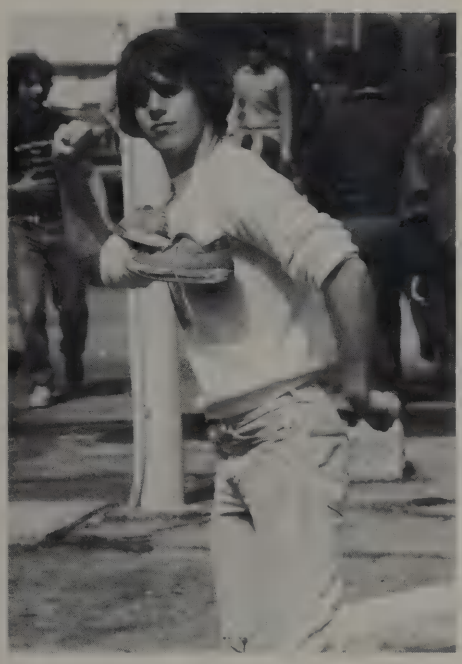
The theme for this year's Epoch was the ROARIN 20's. It was a step back into the good old days when Jazz led the music charts. The night entailed much excitement and proved to be a profitable and enjoyable night for young and old alike. This year's special prize was a brand new car. Our teacher, Mr. Farley, was the winner of a Ford Escort!





HUNGER WALK '81

The seventh annual Walk for Hunger was held on April 16, 1981. Under the direction of junior Paul Scobie, over one thousand Hendricken students walked ten miles through the city of Warwick. Thanks to an excellent job by faculty and students on the Hunger Walk Committee, over $7,200.00 was raised. Some of the money was donated at a Mass on Ascension Thursday to Father James Ryan for use in his missions throughout South America. The remaining money was divided among the Christian Brothers in Peru, Mother Theresa in Calcutta, India and local charities like Amos House and McAuley House.



CANADA TRIP

Following last year's successful trip to Paris, France, Miss Martel took an enthusiastic group of students on another interesting journey during the spring recess. This time it was to the Canadian cities of Quebec and Montreal. First they ventured to Quebec City, where for two days the students were given a taste of Canada's French history. Then it was on to Montreal for two more days of touring. Among the sites visited in the metropolitan city of Montreal was the Olympic Village.

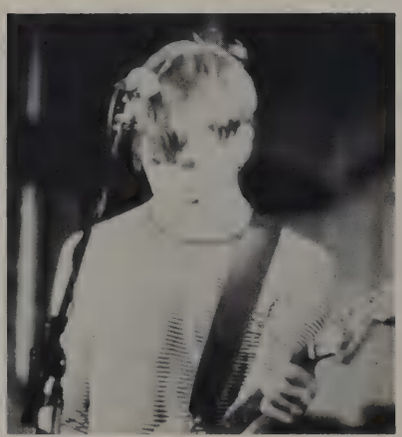
SENIOR CONCERT



This year the Senior class held a New Wave concert in the gymnasium. Opening the show were recording artists "BOY'S LIFE." This Boston-based group consists of four youths ranging in age from 16 to 18. Following their fine performance were the recording trio, "The Neighborhoods," also from the Boston area. Both bands put on great shows and had the crowd rocking and rolling. Several people in the crowd introduced to this area a dance very popular with L.A. punkers known as Slam Dancing. Hendricken meets New Wave.

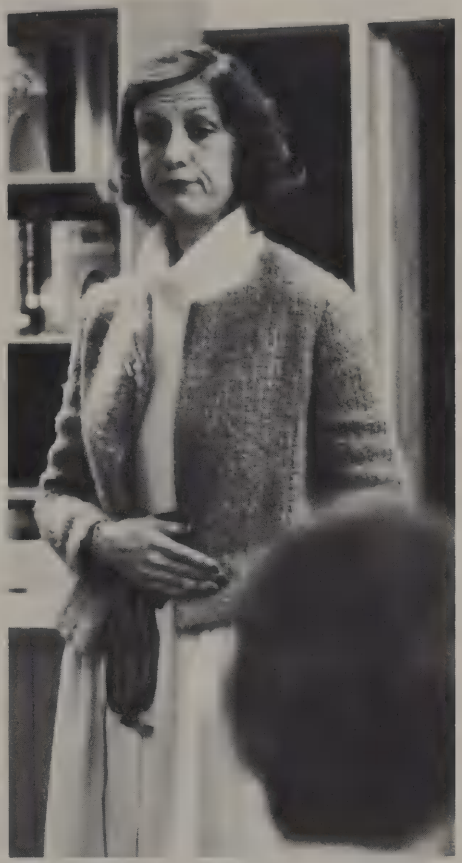
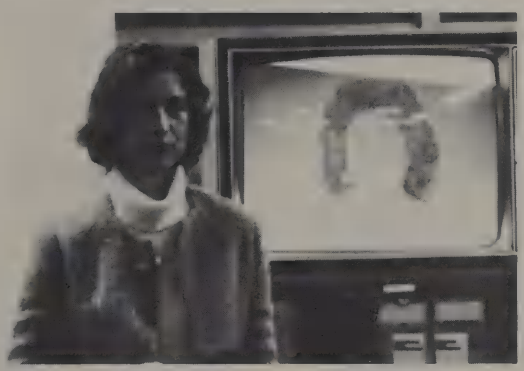
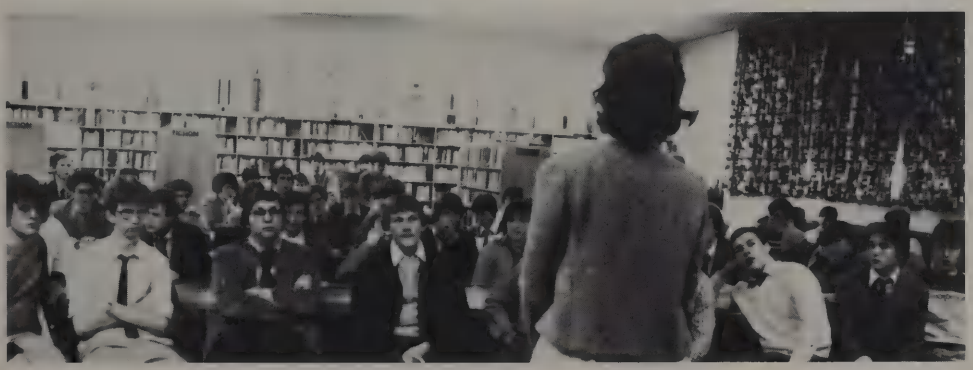
CONGRESSWOMAN SCHNEIDER VISITS HENDRICKEN'S JUNIOR CLASS







ACTIVITY AWARDS NIGHT

On this night, those students, who spent much of their extra time participating in extracurricular activities, are awarded for their hard work. The organizations ranged from the Bowling Club to the Jazz and Marching bands. The achievements of the year were praised and next year's goals were disclosed. The Hendricken band provided musical entertainment for the occasion, and the Prout Metronomes provided lots of cheering and spirit.

HONORS NIGHT

Honors Night is the occasion when the Hendricken community acknowledges its own scholars for all their effort and hard work. To be so honored at this ceremony a student must make the A or the B honor roll for the first three quarterly marking periods. The large crowd present this year is evidence of the dedication that the Hendricken students have to scholastics.
